HALAL POLICY

KATAKURA & COOP AGRI CORPORATION is committed to consistently produce halal products in meeting the needs of Muslim customers. We aim to achieve this by securing the requirements below.

Ensuring that all Halal products are certified by LPPOM MUI.

Ensuring all materials which are procured and used in the manufacture of these products are Halal.

Ensuring that the production systems for these products are clean and free from pork and its derivatives and filthy ingredients.

Halal policies are disseminated to all corporate stakeholders through dissemination media such as trainings, employee briefings, email communications, and public reports.
